

# Massachusetts Prescription Monitoring Program (PMP)

*The new online system, MassPAT, will be live summer 2016!*

## MassPAT Allows for...

- Easily navigable prescriptive history
- EMR Integration
- Prescriptive history of other states
- Timely data (24 hr.)
- 12 months of prescription history
- Enhanced search
- Simplified log in process

## Requirements

- Pharmacies must send Sch. II-V dispensation data to the PMP daily as described in the Dispensation Guide
- Practitioners are required to use MassPAT before prescribing a sch. II-III drug; or a benzodiazepine; or a DPH designated sch. IV-V for the 1<sup>st</sup> time.
